

DIRECTIONS:

This is a highly concentrated product. Do NOT use without diluting.

It is recommended to dilute this product at the rate of 1-4 oz per gallon of water.

Dilutions may vary depending on water quality and desired effect.

Apply to automobile by spray or sponge. Agitating with a soft brush or sponge while cleaning will increase the effectiveness of the wax. Rinse well with clear water.

NEW CAR WASH

Concentrated Car Wash with Carnauba Wax

CAUTION

KEEP OUT OF REACH OF CHILDREN
Net Contents: 1 gal (3.79 L)

New Car Wash is a highly concentrated, all purpose car shampoo that contains carnauba wax. It is recommended for either hand washing or pressure washing.
